NA 9438 POWER PRO COMBI

HIGH PERFORMANCE, EASY TO USE

The name says it all: the Power Pro Combi produces the most surprising ice cream and milkshake creations at lightning speed. This machine offers a large number of possibilities and variations.

The NA 9438 is very user-friendly and has two separate tap nozzles. The machine is suitable for a single ice cream flavour and four milkshake flavours. You can use the optional twister spoon to add additional ingredients, such as nuts and toppings to stir through the ice cream.

This machine produces the most varied ice cream and milkshakes at peak times, and will ensure that customers soon return for another order.
