

NA6468/6460 DUO POWER

THE TASTE SENSATION IN SOFT-SERVE MACHINES!

NA6468

The Nissei 3-tap soft-serve machine guarantees new delights every time. Treat your customers to 2 flavours of fresh soft-serve ice cream? This machine does it. And it delivers top performance: with the separate tap system you can even tap two ice creams at once. Your customers will keep coming back for this great flavour experience.

Nissei soft serve machines are known for their high capacity, compact size, quiet operation, low maintenance costs, long lifespan and ease of use. All machines come equipped with an energy-saving pasteurization system and require disassembly just once every 6 weeks.
