Small in size, high in convenience

G9520 Compact

Compact and noise friendly

Limited space, but still want to sell soft serve? Then the Compact is the solution you have been looking for. This soft serve machine is the smallest of its kind. With a capacity of 30 litres per hour, this machine allows you to make deliciously intense soft serve.

Specifications

Capacity
30 litres per hour

Dimensions
H 87 x W 29 x D 74 cm

Weight
84 kg

Connection
400 Volts + 0 + A 2,5 kWh

Air-cooled

Volume
2-litre freezing cylinder

Extra options

- ✓ Self-service piston

The advantages for you

The machine does not feature a pump, which makes it very easy to clean. In addition, the machine is available as a self-service version. The auto-return lever and the deactivated control panel allows people to serve their own soft serve. Extra efficiency for your business and an even more pleasant experience for guests.
