NR3448 Giant Combi

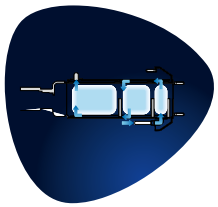

Smart foot controls

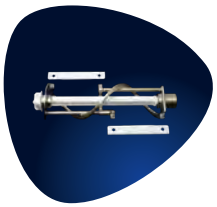

The Giant Combi is one of the most popular NISSEI machines in the Netherlands. And, of course, that's no coincidence. This combi-machine offers high capacity even though it is limited in size. The Giant Combi is energy efficient and is suitable for most businesses that want to sell soft serve as well as milkshakes. Thanks to RAPP technology, this machine is able to constantly offer high-quality soft serve and milkshakes. In addition, it possesses an innovative touchscreen.

Innovative touchscreen
Easily modify settings and view performance.
